General Discussion: It was felt that questions that had responses which a general concern for the subject, by sheer numbers, would be addressed in the Council's report. General feeling was that the small number of responses to a category, all though important to the individual, could not be included in the report. The overall results of all responses would be made available to anyone wishing to review in the rectory. The main areas of concern based on numbers would be published in the weekly bulletin. Initially, we will create name tags for the ushers and try expand that area of volunteerism. As stated in the Jan 15, 2015 minutes we will expand the Parish Council , publish meeting dates in the bulletin and there will be a continued offering of all to attend these meetings. 2015 scheduled meetings-Mar11, May13, Jun10, Sept9 and Nov11 at 7:30 PM, Fr. Glynn Ctr.
