To complete your parish registration, please create an account with ParishPay at www.paritypay.com (instructions are on our website). ParishPay is the method of stewardship used at St. Catherine's. It assists you in your stewardship accountability, and allows us to certify your contributions for tax purposes, as well as verify your affiliation with our parish. Verification is necessary if you are asked to be a Baptismal godparent or Confirmation sponsor. If you do not use ParishPay (i.e., you give cash or check), we will be unable to verify that you are a contributing parish member. The amount does not matter, but creating a culture of stewardship is important for your family and your parish family.
